HOW WOULD YOU LIKE YOUR PET GROOMED? (If different from previous visits or if it is your pets first time here)

Standard grooming includes ear cleaning, anal gland cleaning (if full) and nail trimming at no additional charge. The groomer will brush your pet for 20 minutes and remove small mats when possible. If more extensive brushing or dematting is needed it will be an additional fee. Payment in full is required at pick up.

Ashley M. will call when your pet is brushed, dry and ready to go!

PLEASE CIRCLE WHERE APPROPRIATE TO REQUEST/AUTHORIZE THE FOLLOWING:

A) Nail filing/grinding (will shorten nails and smooth rough edges & corners, \$19.05) YES NO

B) Sedation (anti-anxiety medication) if needed (fee dependent on medication) YES NO

Examination (\$86.34), pre-sedation bloodwork if not performed within the past 6 months (if >6 years of age, \$100.03) and heartworm test if a canine is required.

Pets without verifiably current vaccinations (Rabies, DHPP, Bordetella and Influenza for dogs; Rabies and FVRCP for cats) or with external parasites (fleas, ticks, etc.) will be treated upon admission at the standard fee. In the event of illness or injury, I authorize the **Gaithersburg Animal Hospital** veterinarians and staff to administer treatments and medications as deemed necessary for the health, safety, comfort and well-being of the above-described pet.
